

WEA Business Coalition Germany

The WEA Business Coalition is the business department of the World Evangelical Alliance and functions as an **information & resource hub** providing **strategic** and **thought leadership** for leaders of **businesses, ministries and churches**. The World Evangelical Alliance is the largest international organization of evangelical churches and ministries and gives a world-wide identity, voice and platform to more than 600 million Christians in 129 countries. The German branch **represents** the WEA Business Coalition in Germany. They **collaborate** with the leaders of the National Evangelical Alliance (NEA) and serve as **bridge builders** between the NEA, business leaders and leaders of national Christian business ministries. They furthermore **support** business-oriented **events** and provide related **materials, acquire** new partners, sponsors and speakers for the WEA Business Coalition.

To reach out to German Cities, the German branch of the WEA Business Coalition is offering the opportunity to serve as a

WEA Business Coalition **City Coordinator**

General expectations

The City Coordinator of the World Evangelical Alliance's Business Coalition is trained in business, consulting or in a similar professional field. Furthermore he/she is well connected to different ministries and regional Christian leaders. He/she is sociable and knows the current issues and challenges facing people both in church and in business. The City Coordinator supports the fundamental orientation of the WEA Business Coalition and has experienced a divine call for such a service.

The City Coordinator's requirements and tasks

- you are an influencer in business/administration (first or second level executive or business owner)
- you are gifted with an apostolic and/or missionary calling
- you are willing to represent the WEA Business Coalition in your city
- you are open for close collaboration with the National Coordinator of Germany (NCG)
- you want to be a bridge builder between the NCG, businesses, ministries and church leaders in your region
- you are able to provide new contacts for our network

The City coordinators benefits

- Giving access to a global network (currently 130 countries with a WEA representation, 50 renowned business speakers, 30 faith-based institutes, 131 Christian business ministries, 44 experts in 3 councils, 22 leadership events)
- Highest reputation and access to top global leaders
- Vivid relationship to various church congregations and denominations
- Provision of a personalized [name]@worlddea.org - email address
- Provision of a personalized WEA Business Coalition email signature
- Provision of a personalized WEA Business Coalition business card

Your Profile

- organization skills
- strength in communication
- confident manner
- high ownership and self-control competence
- fluent English

Are you the one?
