

## WEA - Business Arrangement Services

### About WEA Business Coalition

The WEA Business Coalition is the business department of the World Evangelical Alliance and

- functions as an **information & resource hub**
- providing **strategic** and **thought leadership**
- for leaders of **businesses, ministries and churches**.

The World Evangelical Alliance is the largest international organization of evangelical churches and ministries and gives a world-wide identity, voice and platform to more than 600 million Christians in 129 countries.

### Providing Services

Besides the main spiritual task to encourage business people to understand their business as mission for Christ and to create their business as Kingdom Companies, we offer practical networking help amongst business people around the globe. Through our global network of National Coordinators, we are willing and able to connect people that are interested in contacts or collaborations.
